

Wolfgang's Secret Code

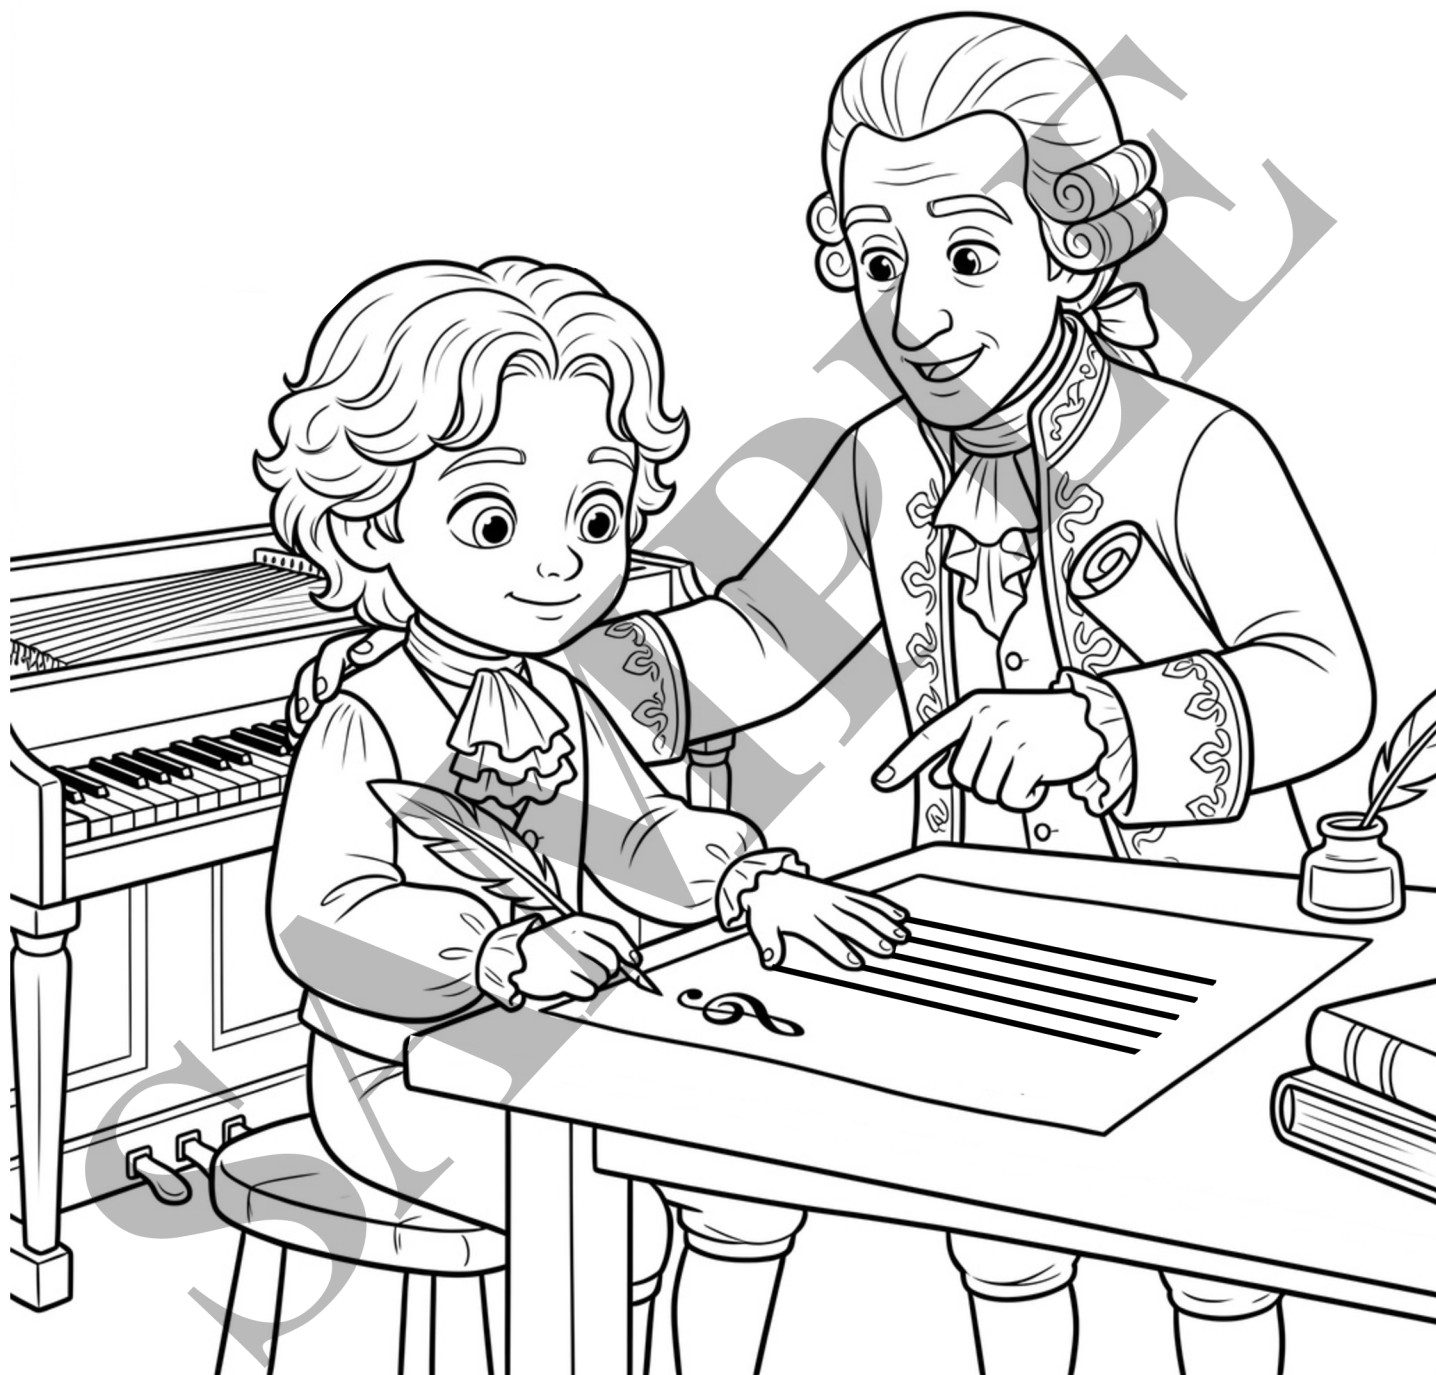

Did you know?

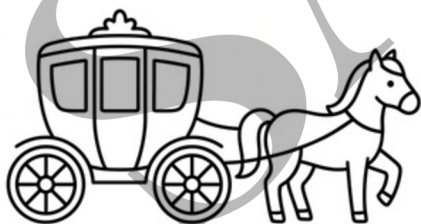

Meet Leopold - Wolfgang's father and music teacher! Today, he's teaching Wolfgang a secret: "Your hand has five fingers, just like a **staff** has five lines!" It's the perfect home for music.

Your Mission:

Now it's your turn to be the composer. Trace the dotted lines from left to right to build your own musical staff!

Did you know?

Traveling in the 1700s wasn't always easy! Sometimes, a bumpy road or a heavy bump broke a carriage wheel, and the family had to wait while it was fixed. Oh look, a broken wheel right in the middle of nowhere!

The Landmark Detectives

Did You Know?

Every single house and castle has a special guardian that little Wolfgang's fingers found instantly when playing blindfolded for emperors!

- **Meet C!** He stands guard right at the front door of the ***Little House*** (always to the left of the 2 black keys).
- **Meet F!** He stands guard right at the front gate of the ***Grand Castle*** (always to the left of the 3 black keys).

Your Mission:

Look at the keyboard below. C and F are already marked! Can you be a master detective and find all the other house doors and castle gates, and write C and F?

Color time: Color all the C keys Red (to match the Little House roof) and all the F keys Green (to match the Grand Castle roof)!
